## APPLICANT ESSAY QUESTIONS

*(Note: the spaces following the questions will expand to fit your text)*

*To be considered for a leadership position on the Peachtree Ridge Robotics Team, each applicant must respond to the following questions. Please take the time to consider your answers to each of these questions. Inadequate responses might reduce your chances of earning a leadership position. Having a leadership position in the past is no guarantee of a leadership position next year.*

*Note that for 2017-18, leadership applications are for team leadership and not for a specific leadership position.*

***Describe the position you would like to see yourself filling***

***Describe your vision of the most excellent Peachtree Ridge Robotics Team imaginable. Include some of the goals that you would like to help the team to achieve.***

***What special skills or perspectives do you bring that would make you a good leader on the Peachtree Ridge Robotics team?***

***'Passion' has been described as an important quality needed for success. Describe your passion for Peachtree Ridge Robotics team.***

***'Communication' is a key part of being a team. Define what you consider determines successful team communication.***

***What has not been asked that you would like to tell us? What else should we consider in our decision?***

**An interview will be scheduled for you to personally present yourself for a leadership position. The interview will involve a panel consisting of perhaps multiple Peachtree Ridge Robotics mentors, students, or team alumni. Please prepare for the interview. Talk with team leaders or one of the mentors for more information.**

COMMITMENTS AND SIGNATURE	
Check these boxes, sign and date.  I understand that holding a leadership position on the Peachtree Ridge Robotics team involves a <b>major commitment of time</b> .  I understand that, as a leader, involvement with Peachtree Ridge Robotics should be my <b>primary</b> extracurricular activity.  As a leader, I am EXPECTED to <b>attend all team competitions</b> . (GRITS, district competitions, World Championships)  I will do my best to meet deadlines for assignments.  I will communicate roadblocks to mentors.  I will ask for help when necessary.  I have read and understand the responsibilities of leadership on the Peachtree Ridge Robotics Team.  Excellent communication is an important part of our team. I will check my team email and the team calendar regularly.  I will attend team leader meetings and participate fully when they are called.  I understand that leadership positions will involve close communication and collaboration with mentor(s) of the Team.  I understand that a GPA of 74 or higher is required at all times.  I commit to following ALL team rules, including those established for travel.
